10th Gatersleben Research Conference 2010 “Sequence-informed Crop Research”

November 22nd - 24th, 2010
Quedlinburg/Gatersleben, Germany

Scientific Program
1. Beyond Plant Genome Sequencing
2. Epigenetics and the Impact on Crop Improvement
3. Structure and Evolution of Crop Genomes
4. Apomixis, Hybrids and Heterosis
5. Gene Diversity, Global Change and Novel Strategies of Crop Improvement

Confirmed Speakers
M Bevan, T Endo, C Feuillet, B Han, J Paszkowski, H Puchta, B C Meyers, G Moore, M Morgante, M Murata, A Rafalski, P Schnable, T Wicker
